If the Investor is acting as agent or trustee on behalf of a disclosed beneficial purchaser, unless the context otherwise requires, the term “Investor” includes the disclosed beneficial purchaser.
- 2. Acceptance or Rejection.** The Investor hereby acknowledges that its offer to purchase units of the Fund is subject to acceptance by Maxam Capital Management Ltd. (the “Manager”), the manager of the Fund, acting in its sole discretion. The number of units acquired by the Investor will be confirmed by or on behalf of the Manager in a statement delivered to the Investor after the purchase date.
- 4. MAXAM CAPITAL MANAGEMENT LTD.
DISCLOSURE REGARDING CONFLICTS OF INTEREST

May 19, 2021

General

Under certain circumstances, we may deal with or for you in securities transactions where the issuer of the securities or the party to the transaction is a firm or a party having an ownership or business relationship with us. We recognize that these transactions may create a conflict between our interests and yours, and believe that it is important that you are fully informed regarding the circumstances in which we may enter into them. In addition, we are required by Canadian securities laws to take reasonable steps to identify and respond to existing and potential material conflicts of interest, and in certain circumstances, to provide you with certain information regarding these conflicts and also to obtain your prior consent before we engage in certain types of transactions. This document contains important information regarding certain of the conflicts of interest that we have identified. Please read it carefully.

Transactions or Arrangements with Certain Related Parties

In the course of providing services to you, we may from time to time advise you with respect to the purchase or sale of securities from or to, or issued by, persons or companies which are related or connected to us. These transactions and arrangements will give rise to conflicts of interest, and we have adopted policies and procedures to identify and respond to these conflicts. We will only enter into these transactions or arrangements where they are permitted under applicable securities laws and where we believe they are in your best interests in the applicable circumstances.

Role as Manager, Advisor and Dealer for the Maxam Diversified Strategies Fund

We are the manager and portfolio advisor of the Maxam Diversified Strategies Fund (the “**Fund**”) and the Maxam Arbitrage Fund. We are also principally responsible for the sale of units of the Fund and may be considered to be the “promoter” of this Fund for the purposes of applicable securities laws. Our role in managing the business and affairs of the Diversified Strategies Fund and the Arbitrage Fund means that they are considered to be connected parties.

Our role in managing, advising and selling units of the Fund and other funds managed by us will inevitably give rise to certain conflicts between our interests and yours. To address this, we will ensure that our relationship to the funds is disclosed to you. Generally, this relationship will be made clear because the word “Maxam” is included in the name of the funds. In addition, to the extent possible, we will assist you in purchasing the securities of the funds through a dealer if that is your preference. Purchasing through a dealer will ensure that you receive independent advice regarding the suitability for you of an investment in the fund.

Relationships with Diversified Royalty Corp and goeasy Ltd

As at the date hereof, we are a connected party to each of Diversified Royalty Corp. (“**Diversified Royalty**”) and goeasy Ltd. (“**goeasy**”), each a public company that has its securities listed for trading on the Toronto Stock Exchange or TSX Venture Exchange. We are considered a connected party to Diversified Royalty because Sean Morrison, a director of Maxam, is the President and Chief Executive Officer of Diversified Royalty. We are considered a connected party to goeasy because Sean is a director of goeasy. As at the date hereof, the Maxam Diversified Strategies Fund holds securities of Diversified Royalty. In the future, we may, from time to time, purchase or dispose of securities of Diversified Royalty or goeasy for these funds or other funds we manage.

Sean’s positions with these companies will give rise to certain conflicts of interest. For example, as a director and officer of these companies, Sean may receive material undisclosed information. Any time that Sean is in possession of material undisclosed information relating to Diversified Royalty or goeasy, our funds may be prevented from buying or selling securities of the company until there has been full public disclosure of that information.

We may advise our clients with respect to the purchase or sale of securities of the related and/or connected issuers described above, or other issuers which may, from time to time, become related and/or connected issuers, but only if we are confident that such activities are in the best interests of our clients and are in compliance with all requirements imposed by applicable securities law.

Allocation of Investment Opportunities

We are the portfolio advisor of the Maxam Diversified Strategies Fund and Maxam Arbitrage Fund. The size and mandate of our funds and other accounts managed by us differs and the portfolios are not identical. As a consequence, we may purchase or sell a security for one account prior to other accounts. This could occur, for example, as a result of the specific investment objectives of the accounts, different cash resources arising from contributions or withdrawals, or the purchase of a small position to assess the overall investment desirability of a security. If the availability of any particular security is limited and that security is appropriate for the investment objective of one or more other accounts, any purchase of that security will be allocated on an equitable basis in accordance with our Policy for Fairness of Allocation of Investments.

Code of Ethics

We have a Code of Ethics, which sets out certain expected standards of conduct of our employees and includes restrictions and controls on outside activities of our employees and on personal trading of our employees. The Code of Ethics is designed to ensure that our employees act in accordance with applicable Canadian securities laws and other applicable laws, that they act in the best interests of Maxam Capital Management Ltd. and our clients, that they avoid actual or potential conflicts of interest, and that they do not engage in personal securities transactions that are prohibited by law, such as insider trading, or that negatively impact our clients.

Personal Trading Activities

Each of our employees, officers and directors put the interests of our clients first, ahead of their own personal self-interests. In particular, any individual who has, or is able to obtain access to, non-public information concerning the portfolio holdings, the trading activities or the ongoing investment programs of our funds, is prohibited from using such information for his or her direct or indirect personal benefit or in a manner which would not be in the best interests of our clients. These individuals also must not use their position to obtain special treatment or investment opportunities not generally available to our clients or the public. These individuals are only allowed to make a personal trade if it falls within our Code of Ethics or if our compliance officer has determined that such trade will not conflict with the best interest of our clients.

Outside Activities

Individuals acting on behalf of us are prohibited from engaging in any outside activity, including acting as a director, which could interfere with the proper discharge of the individual's duties to us.

If you have any questions regarding these matters, please contact us at 604-685-0201.

You are buying *exempt market securities*

They are called *exempt market securities* because two parts of securities law do not apply to them. If an issuer wants to sell *exempt market securities* to you:

- the issuer does not have to give you a prospectus (a document that describes the investment in detail and gives you some legal protections), and
- the securities do not have to be sold by an investment dealer registered with a securities regulatory authority.

There are restrictions on your ability to resell *exempt market securities*. *Exempt market securities* are more risky than other securities.

You will receive an offering memorandum

Read the offering memorandum carefully because it has important information about the issuer and its securities. Keep the offering memorandum because you have rights based on it. Talk to a lawyer for details about these rights.

You will not receive advice

Unless you purchase these securities through a registered dealer, you will not get professional advice about whether the investment is suitable for you. If you are not purchasing these securities through a registered dealer, you can still seek that advice from an advisor or investment dealer registered with a securities commission. Contact the Investment Industry Regulatory Organization of Canada (website at www.iiroc.ca) for a list of registered investment dealers in your area.

These securities you are buying are not listed

These securities you are buying are not listed on any stock exchange, and they may never be listed. You may never be able to sell these securities.

The issuer of your securities is a non-reporting issuer

A *non-reporting issuer* does not have to publish financial information or notify the public of changes in its business. You may not receive ongoing information about this issuer.

For more information on the *exempt market*, call your local securities regulatory authority.
